

2024 GLOBAL ENERGY SHOW CANADA STRATEGIC CONFERENCE

Day 1: Tuesday, June 11, 2024

Program as of November 17, 2023 and subject to change

| 10:00 AM EXHIBITION OPENS | | | | |
|---|--|---|---|--|
| | Main Stage Plenary Sessions | Hydrogen Conference | Decarbonization Conference | Indigenous Leadership & Emerging Leaders |
| | ROOM A | ROOM B | ROOM C | ROOM D |
| | Session Chair: TBC | Session Chair: TBC | Session Chair: TBC | Session Chair: TBC |
| 10:00 AM | Opening Remarks & Land Acknowledgement | | | |
| 10:30 AM | Opening Plenary & Ministerial Address | | | |
| 11:00 AM | | What Does the Hydrogen Economy Look Like in 2050? | Actions for a net-zero world: solving the current energy trilemma | |
| 11:15 AM | | | | |
| 11:30 AM | Energy outlook: an update on oil & gas markets from a global & national perspective | | | Morning Keynote: Providing Employment Opportunities for Emerging Leaders in Energy |
| 12:15 PM | | Fireside Chat: Hydrogen's Role in Providing Global Energy Security | | |
| 12:30 PM LUNCH BREAK & VISIT EXHIBITION | | | | |
| 1:30 PM | Global Partnerships: a Critical Agenda | Global Panel: What is Hydrogen's Role in Transitional Energy? | Digital Twins as a tool for leveraging critical assets | Collaboration and its Importance in Creating Meaningful Indigenous Partnerships |
| 2:15 PM | | Methane Pyrolysis for Zero-Emission Hydrogen Production: A Potential Bridge Technology for a Sustainable Hydrogen Economy | | |
| 2:30 PM | The Energy Transition Ahead: Overcoming Barriers to Implementation | | How AI is Powering a Clean Energy Transition | Employment Skills Workshop: Interviewing Techniques, Job Search Strategies & LinkedIn Optimization |
| 3:30 PM | Fireside Chat: How can Canada Regain its Competitive Advantage in the Global LNG Export Economy? | | | |
| 4:00 PM DAY 1 OF STRATEGIC CONFERENCE CONCLUDES FOR THE DAY | | | | |
| 5:00 PM GES CANADA AWARDS GALA | | | | |

2024 GLOBAL ENERGY SHOW CANADA STRATEGIC CONFERENCE

Day 2: Wednesday, June 12, 2024

Program as of November 17, 2023 and subject to change

| 7:30 AM REGISTRATION | | | | |
|---|---|---|--|---|
| | Main Stage Plenary Sessions | Hydrogen Conference | Decarbonization Conference | Indigenous Leadership & Emerging Leaders |
| | ROOM A | ROOM B | ROOM C | ROOM D |
| | Session Chair: TBC | Session Chair: TBC | Session Chair: TBC | |
| 10:00 AM | How AI & Quantum Engineering can be used to Help Secure Organizations | | | |
| 10:30 AM | | Renewable Hydrogen: Unblocking Progress With CCUS on the Journey to Net Zero | | How Indigenous Equity Partnerships are Catalyzing the Energy Industry |
| 11:00 AM | | | Carbon Capture Utilization and Storage and its Role in Climate Change Mitigation | |
| 11:15 AM | Energy Transitions Plenary | | | |
| 12:30 PM LUNCH BREAK & VISIT EXHIBITION | | | | |
| 1:30 PM | The Importance of Diversity, Equity, and Inclusion in the Energy Ecosystem | | Reducing Emissions Through Tech Innovations | Economic Reconciliation: A Path Forward for Canada's Energy Industry |
| 1:45 PM | | Fuelling the Future: How Advancements in Hydrogen Technology will Reshape Industrial Vehicles | | |
| 3:00 PM | What Role do Canada's Municipalities Play in Accelerating Energy Infrastructure Projects? | Production Methods for Low-Carbon Hydrogen at Scale | Decarbonizing our Energy Future Through Solar and Wind Energy | Procurement Strategies for Young Leaders in Energy |
| 4:00 PM DAY 2 OF STRATEGIC CONFERENCE CONCLUDES FOR THE DAY | | | | |

2024 GLOBAL ENERGY SHOW CANADA STRATEGIC CONFERENCE

Day 3: Thursday, June 13, 2024

Program as of November 17, 2023 and subject to change

| | Main Stage Plenary Sessions | Hydrogen Conference | Decarbonization Conference | Indigenous Leadership & Emerging Leaders |
|----------------------|---|--|---|--|
| | ROOM A | ROOM B | ROOM C | ROOM D |
| | Session Chair: TBC | Session Chair: TBC | Session Chair: TBC | |
| 10:00 AM | Global Panel: Addressing Energy Security and Affordability | | Alternative Energy Solutions for Decarbonizing the Global Energy Mix | |
| 10:30 AM | | | | |
| 10:45 AM 11:15 AM | | | | |
| 11:30 AM | Accelerating Infrastructure Projects to Maximize Canada's Export Potential | | Cross-sector partnerships: overcoming barriers to reduce emissions | |
| 12:30 PM | LUNCH BREAK & VISIT EXHIBITION | | | |
| 1:30 PM | Afternoon Keynote: Is our Innovation Pipeline Enough to Get us to Scale Globally? | Investing in the Future: Hidden Investment Opportunities in Hydrogen | | Maximizing Cross-Industry Experience and Micro-Credentialing to Address Skilled Labour |
| 2:30 PM | | | Heavy-Industry Electrification and its Impact in Accelerating Decarbonization | |
| 2:45 PM | Fireside Chat: Microgrid Solutions for Canada's Communities | The Role of Hydrogen and Ammonia in Meeting the Net Zero Challenge | | Young Professionals Networking Event |
| 3:30 PM | CLOSING REMARKS AND END OF CONFERENCE | | | |
