

GLOBAL ENERGY CLUB

GLOBAL ENERGY SHOW
CANADA EXHIBITION & CONFERENCE

GLOBAL ENERGY CLUB - HOST

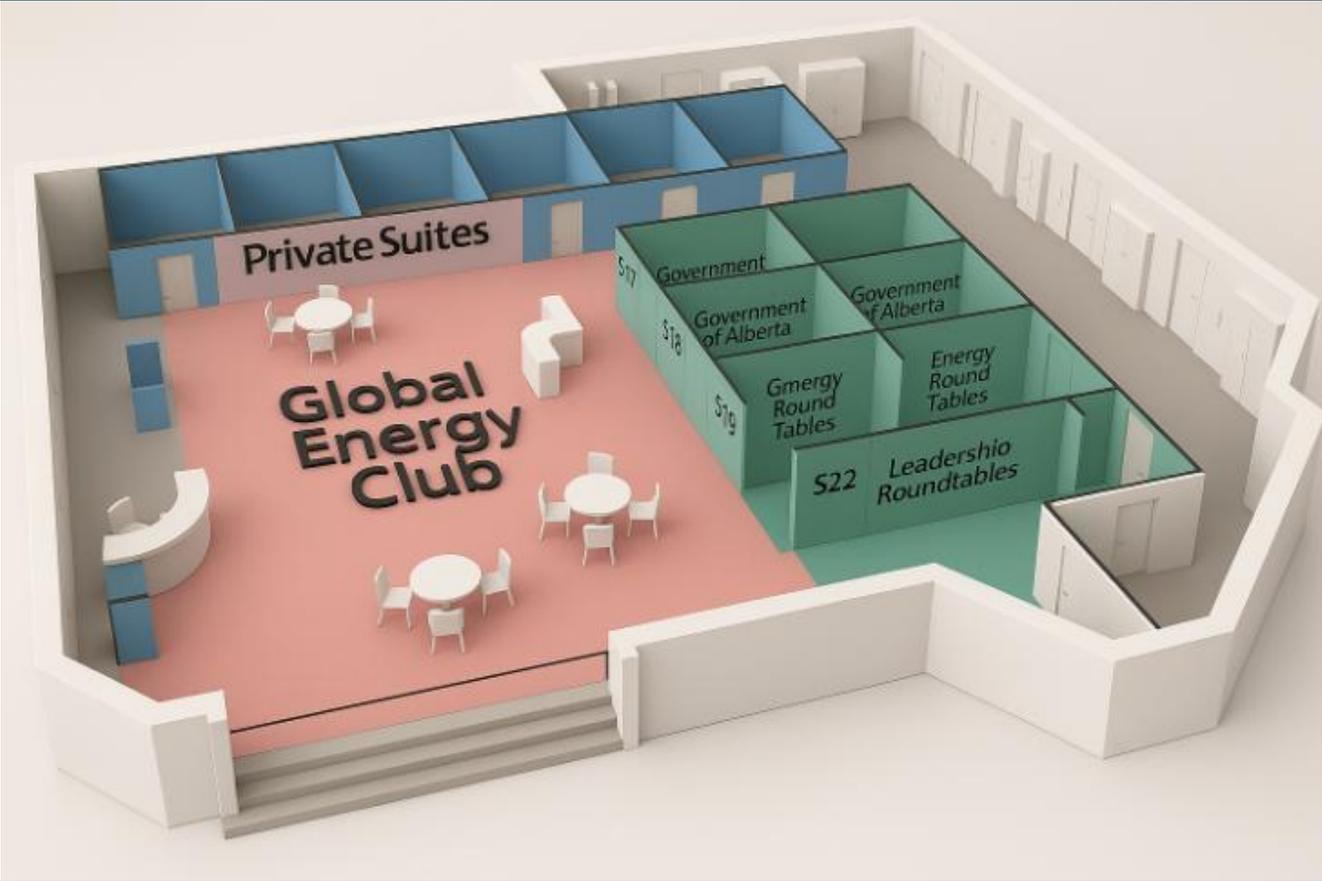

GLOBAL ENERGY SHOW CANADA EXHIBITION & CONFERENCE

The Global Energy Club includes 6 Platinum, 5 Gold and 4 Silver Meeting Suites located on the first floor of the BMO Centre respectively, with dedicated lounges and lunch areas. The Leadership Suite, is also located on the second floor of the BMO Centre, hosts a series of eight high-level Leadership Roundtables over the three days of Global Energy Show.

The Host sponsorship of the Global Energy Club is an exclusive opportunity for a company to elevate its brand above the other Global Energy Show sponsors in the lead up to, during and after Global Energy Show. In addition to a dedicated Platinum Meeting Suite on the first floor, the Host Sponsor also receives prominent branding throughout the Global Energy Club on the external and internal walls, as well as on printed and digital marketing collateral promoting the Global Energy Club.

LEADERSHIP ROUNDTABLES

GLOBAL ENERGY SHOW CANADA EXHIBITION & CONFERENCE

Defining the Global Energy Future

Hosted in the Leadership Suite on the second floor of the BMO Centre, the Leadership Roundtables are at the very heart of Global Energy Show Canada and are an important cornerstone of GESC Strategic Conference program.

By invitation-only, each roundtable brings together up to 30 senior, C-level executives from within the energy industry, including policymakers, ministers and innovative thinkers who are defining the evolution of a responsible energy industry and implementing the transformational business strategies needed to deliver a cleaner energy future and boost global energy security.
