

GLOBAL ENERGY SHOW CANADA 2025

EXHIBITION & CONFERENCE

Dear Exhibitor,

Welcome to the 2025 Global Energy Show Canada Exhibition and Conference! In the spirit of reconciliation, we acknowledge that we live, work, and play on the traditional territories of the Blackfoot Confederacy (Siksika, Kainai, Piikani), the Tsuut'ina, the Iyârhe Nakoda Nations, the Métis Nation (Region 3), and all people who make their homes in the Treaty 7 region of Southern Alberta.

On behalf of dmg events, our team is proud that energy professionals such as yourself have gathered to exhibit here at North America's leading energy event, The Global Energy Show Canada Exhibition and Conference!

The Global Energy Show is the largest B2B energy exhibition and conference bringing technology, innovation and the transfer of knowledge under one roof. Hosting five halls of exhibition space, two conferences and an awards gala, Global Energy Show Canada fosters innovation, leadership and synergy between all energy verticals within three fully packed days.

Our shows would not be successful without exhibitors such as yourself. Thank you for your continued support!

The online Exhibitor Zone has been created to help organize and assist all your needs for the 2025 show with various tools and information that is being updated constantly.

Please ensure the person responsible for the coordination of your stand is given access to the Exhibitor Zone and are fully informed and paying particular attention to the deadlines for each category listed below:

The online exhibitor zone and tools are not designed to replace our personal service. If you require help or assistance at any time, please feel free to contact a member of our operations team:
